The lacquered armoires are embossed with exquisite calligraphy, each room has a poem, and the shower stalls have three nozzles. Valid one year from event date and subject to availability.

Hyatt Regency Osaka (Japan) - Enjoy a three-night stay at this 5- star resort is located adjacent to the World Trade Center. Contemporary rooms, with 9.5-meter ceilings and among the city's largest square footage, have unusual configurations and are bathed in soothing earth tones and natural wood. They feature Italian furniture, large mahogany desks, Japan's fastest Internet connection, button-controlled drapes that block out light, a 30-inch flat-screen TV offering movies on demand, CD/DVD player (free DVD rentals available), and a safe large enough for a laptop, complete with electric hookup for recharging. Hyatt Regency Grand Cypress (Orlando) - Enjoy a four-night stay at this 5-star property located in a huge Y-shaped tower on 1,500 tropical acres overlooking a private 21-acre lake, near the Disney World Resort area. Discreetly hidden behind its gated access and surrounded with lavish landscaping, the structure rises from the woods like the Emerald City. Despite its size, this finely tuned operation is easily navigated and takes top honors in Mouse Town, easily outclassing the Grand Floridian, Peabody, Wyndham Palace and the Gaylord Palms with deft maintenance and glamorous facilities. The manned and gated entrance is a welcome extra in these security-conscious times. Once past the gate uniformed valets, arrivals are greeted by eager bellmen. The atrium, branching out into all three wings, melds sophisticated contemporary architecture with sublime Asian and Western art in a tropical setting unequaled in Orlando. Sitting areas are interspersed with museum-quality Burmese, Chinese, Japanese and Thai sculpture dating to the 17th century. In the evening, a pianist plays atop a gleaming Italian marble island with a cascading waterfall.

Recreation options include an 800,000-gallon free-form pool with waterfalls, grottoes, a water slide and 24-hour access. A private lake offers a beach and opportunities for boating but does not allow swimming. Anglers must abide by barbless-hook and catch-and-release policies. The racquet club has 12 tennis courts (six lighted) and two racquetball courts. Lawn games, a playground, bicycle rentals and miles of nature and fitness trails supplement a newly upgraded health club with a gym, weight room, saunas and aerobics. The equestrian center offers lessons, guided rides, summer camps, horse boarding and competitions.

The main draw for many guests is the Grand Cypress Golf Club. Designed by Jack Nicklaus, the 45 holes are consistently voted among the best in the nation, and LPGA and PGA tournaments are frequently held here.

Overall this remains Orlando's finest hotel, a welcome antidote to the bright lights, visual noise and caricature of Orlando. Valid one year from event date subject to availability.

This experience gives you an introduction to fighter pilot training using the actual skills taught to current military fighter pilots. After being fitted with a full flight suit and completing the air combat briefings you'll climb into the fighter aircraft alongside your instructor. With your hands on the controls you will engage in a minimum of six combat engagements. Your flight will be recorded on video-tape and reviewed in a flight debriefing and we'll even give you a copy to take home at the end of your amazing day.

The instructors, both military and civilian, have enviable credentials. Most are former military fighter pilots from the Air Force, Navy and Marine Corps, and several are graduates of Red Flag and the Navy Fighter Weapons School. This fighter pilot experience features Marchetti SF260 as these are the planes used by the military in training their fighter pilots and so it will give you the best experience. They are capable of 260mph, +6 G-forces and are highly maneuverable giving you the most realistic air combat and fighter pilot experience available.

Restrictions: Pilots must weigh less than 250 pounds and stand no taller than 6' 7". Valid one year from event date and subject to availability.

Things to know: There are just two participants in each class. Since you will be suited up in a flight suit for this activity, you may wear whatever is comfortable for the air temperature. We suggest rubber-soled shoes (i.e. tennis shoes work well). Get a good night's sleep and avoid an overabundance of alcohol the night before your flight. Guests may sit in on the briefing and watch as you take off and land. Missions are conducted approximately 25 miles from the airfield so guests will be unable to view the actual flight. The instructor will fly the plane during take-off and landing.

Hyatt Hotels & Resorts - Enjoy a total of four-nights at your choice of any participating Hyatt property. The following locations were participating at the time of publication. These certificates will be valid one year from event date subject to availability.
